Angela:

We may want to make the following pendings although we do not know what the costs will be as of yet.

Texas Yard Pro:

FJD04 Cedar Fence: \$10,000 (est)

1 pallet of sod (450 sq ft): To lay behind FJD02/FJD03/excess sod will go on FJD05 - \$186 (est)

Roll FJD03: You may have already build this into their pendings - \$1200 (est)

Fine Grade/Hydroseed FJD05: \$ 5000 (est)

Also, I did not notice if you built in a pending for the potential sewer line repairs at FJD08/09
